Chairman

GA asked the group if they were all happy for him to act as chairman. Resolved – GA to be Chairman.

Fund

GA explained the requirement to explore ideas to use the fund which is £23,000.

Ideas

The following ideas were suggested:

- Improve the attraction of the Buttlands as a public space by re-profiling and re-turfing the edges.
- Improve Old Staithe Walk by re-surfacing the existing track and providing a dog bin to create a better and more attractive route to the Town Center.
- To erect heritage fingerposts directing the public to the shops, facilities and attractions of the town.
- To consider the implementation of time limited parking on the Buttlands car park.

Business Forum

GA had been in contact with the business forum but had received no suggestions.

Recommendations

All the ideas would be considered and additional enquiries made to obtain suitable costings. GA would speak to Geoff Lyon about the suitability of the suggestions and the situation regarding planning requirements for fingerposts. GH would speak with the Highways Authority regarding time limited parking on the Buttlands. GH would obtain a quote for Old Staithe Walk. GA would arrange another meeting to discuss further suitable locations for fingerposts.
