

District Councillors Report 25.11.12 from Cllr. Jonathan Savory

Spring Survey

NNDC is planning a springtime survey of all electors to find out residents priorities with regard to how the council spends its money.

It has been confirmed that NNDC's share of the council tax will be frozen for the next financial year 2013-14.

NNDC has revealed an expected £1.8 million funding shortfall for the next three years.

The government will expect councils to generate more of their own money as it is clear grants from central funds will become less.

The council is currently working on ways to resolve this issue.

Planning

A planning application for a petrol station on the site of the Coach and Bus park has been submitted.

It is expected that subject to consultee responses this may come before committee in December.

Christmas Parking

Free parking will be available to anyone using NNDC car parks on the four Sundays leading up to Christmas.

This should provide a boost for local business' and residents alike.
