

Coastal Partnership East

The launch of Coastal Partnership East will take place on 10 June 2016. This is an innovative collaboration among North Norfolk District Council, Great Yarmouth Borough Council, Suffolk Coastal District Council and Waveney District Council. The Partnership will work with communities, businesses and organisations along the Norfolk and Suffolk Coast to deliver a combined, efficient and comprehensive coastal management service.

10th Anniversary – RNLI lifeguard service in partnership with NNDC

The RNLI, the charity that saves lives at sea, first teamed up with North Norfolk District Council in 2007 to provide beach patrols at Cromer, Sheringham, Mundesley and Sea Palling. A decade later, the service has expanded along the East Anglia coast to 16 beaches, including at West Runton, East Runton and Wells in North Norfolk, as well as beaches in the Great Yarmouth area and Suffolk.

Having lifeguards on duty when North Norfolk is at its busiest means visitors and residents can have peace of mind while enjoying our beautiful coastline. For example, In 2015, lifeguards rescued 10 people in three hours from Wells beach after bathers got caught out by strong currents. More details at <http://bit.ly/cllr-vfitzpatrick-wells-rescue>

NNDC Enforcement

We are keen that long term empty properties are brought back into use rather than lying empty. At the Full Council meeting on 27th April 2016, a budget for the compulsory purchase of long term empty properties was agreed. It should be noted that compulsory purchase will only be used in the last resort as we would prefer to find mutually acceptable solutions with the property owners.

Whitsun 2016

North Norfolk Big Society Fund

The fund makes capital grants of up to £15,000 to voluntary and community organisations within North Norfolk. Grants have been awarded to a diverse range of projects including Children's play equipment, new kitchens for community halls, provision of musical instruments and purchase of football goals and match ball for under 9's and under 16's. If you know of any organisation that may benefit, then please get them to apply. Applicants do not need to ask for the full £15,000 – applications for smaller amounts are equally welcome.

Full details are given in the Fund's page on the District Council website: <http://bit.ly/North->
