

Wells Town Council Meeting 15th May 2023 - NNDC Report

Tug Boat Yard

The contractor has again been contacted and has re-iterated that he needs a window of dry weather to lay the dense brick type. There will also be maintenance, to be done, to the whole area once the walling is complete.

Pizza Van The Quay

The report from the enforcement officer goes before the enforcement panel with the recommendation for action. This will then be reviewed by the legal team with a view to serve the notice on the 19th May.

The Notice will instruct the removal of the van, hard standing, seating and the return of the land to its original condition before the breach took place,

The enforcement panel will also discuss/consider a stop notice to accompany the enforcement notice.

Street Cleaning

I have taken every opportunity to push forward the idea that we can retain the street cleaner all year and I am hopeful that this will bear fruit.

Street Trading

The recommendation to update the streets in towns in North Norfolk, which will be subject of prohibition of street trading, has been discussed and passed by cabinet and a questionnaire will be with the clerk soon to decide which streets you wish to include.

NNDC Full Council

The Liberal Democrats won the election with 25 seats and have been busily building a team of portfolio holders. A number of senior members of the previous cabinet retired which has given the chance for a younger cohort too take the groups ideas forward.

The outlying market towns – Hoveton, Stalham, Fakenham and Wells have all felt left out of the councils thoughts. It is intended that one of the portfolio holders will be given one of the market towns to champion.

I will be able to confirm the various appointments after the full council meeting on the 17th May.
