

Please accept my apologies for the next meeting as I am on leave.

It has been the busiest Summer I have ever Policed in Wells. The main issue being around parking and obstructive parking. Simon and myself have managed to deal with the worst offenders and had the vehicles moved pretty quickly. We have had an enormous amount of visitors to the area and certainly Stiffkey and Cley village has been blocked under the pressure of the volume of traffic and have on a number of occasions stood in these locations and had to move and direct traffic through the villages.

We have had our recent SNAP meeting and it was decided for us to Prioritise 1) Criminal Damage to vehicles in Wells 2) Police visibility in the Town – this was one of our previous Problem Solving Plans which we have decided to keep due to the high number of visitors still in the Town.

One important note , we have received information that there has been a number of vehicles that have been damaged whilst parked up in the Town. I am interested in any information about this either on my details as below and please share with the public. Also crimes can be reported on line via the report it pages on the Constabulary website and complete and on line form or call 101.

Report:

34 calls to Police during August

2 x Assaults

1 x Theft

2 x Criminal Damage

1 x Public Order.

Regards,

Jason
