NNDC website News

Additional Restrictions Grant

Aims to support certain businesses severely impacted by the national lockdown in England between 5th Nov and 2nd Dec 2020, or who legally had to close during this period but not registered for business rates with NNDC.

A second phase is being worked on week end 5th Jan 2021.

Census

Ten year census Sunday 21st March 2021 can be filled in online in advance with an access code via the post. If change in circumstances on census day let office of statistics know.

If help is needed there is a wide range of support services.

Every household will have a postal opportunity but hoping for 75% online. www.census.gov.uk

Vaccination Centres

It is expected that the announcement of two further large scale vaccination centres are imminent in North Norfolk.

Officers in constant dialogue with local health partners.

Car Parks

Remain open with the exception of Happisburgh because of cliff erosion.

May Elections

Expected to go ahead.

Electric Charging Points

Awaiting a final connection – Sub contractor impacted by Covid regulations.

Beach Road Toilets

NNDC looking to provide a storage facility at Beach Road to contain rubbish from Quay area. At present the street cleaner is unable to keep up with bags which he is having to remove to Newgate Lane. Would provide timber fencing to contain/screen from view.

Wagon that was used in Stearmans Yard no longer available.

Last summer large numbers of bags were accumulating adjacent steps.

Meeting Thursday 4th Feb 9.30a.m. to discuss design. Suggest member of WTC attend.

34 Freeman Street

I have been asked whether I wish to call this in (I have until the 5th)

I have shared with Greg the districts report for you consideration.

I would particularly draw your attention to paragraphs headed

‘ Above Eaves Level’

‘ Other Matters’

‘ Building Regulations’

Keep safe and well,

Peter
